REMARKS

An Examiner's Interview Summary Record (PTO-413) was attached with the Office

Action dated October 28, 2004.

During the interview, the following was discussed:

1. Brief description of exhibits or demonstration: none.
2. Identification of claims discussed: all.
3. Identification of art discussed: O'Donnell et al and Benton et al (of record).
4. Identification of principal proposed amendments: change "derived" to isolated",

recite specific fragments, recite full-length polypeptides.

5. Brief Identification of principal arguments: different reading frames in the prior art, claims fully enabled and have adequate written description support.

6. Indication of other pertinent matters discussed: examiner suggested submitting evidence that the skilled artisan would understand where to make changes to polypeptide without effecting activity.

7. Results of Interview: examiner stated he would consider any amendment filed in the case.

It is respectfully submitted that the instant STATEMENT OF SUBSTANCE OF INTERVIEW complies with the requirements of 37 C.F.R. §§1.2 and 1.133 and MPEP §713.04.

It is believed that no petition or fee is required. However, if the USPTO deems otherwise, Applicant hereby petitions for any extension of time which may be required to maintain the pendency of this case, and any required fee, except for the Issue Fee, for such extension is to be charged to Deposit Account No. 19-4880.

Respectfully submitted,

Drew Hissong
